

# **User's Guide**

## **Background:**

On the morning of September 8, 2016 Ashwin the TA for the Mobile Apps class was mysteriously missing. As a member of CSI: Stillwater we have turned to you an expert in missing persons to discover the fate of Ashwin and who or what is responsible for his disappearance. Conduct your investigation.

## **How to Play:**

To find each clue you need to guide your police cruiser past the obstacles blocks. Blocks move only in the directions they are facing either up and down or left and right. Once your cruiser exits the scene you will find a clue. After finding all the clues the case is solved. Happy hunting!

## **Instructor Must See:**

The perpetrator of the crime.
